Play Ball! Cheer on your favorite ball team, The Brewers, while soaking up the warm desert sunshine in Arizona. Get a head start on the baseball season at the Cactus League in the Valley of the Sun. The Milwaukee Brewers have spent every spring training in Arizona, including when the team was the Seattle Pilots. In 1969, they trained in Tempe, an arrangement which lasted through 1972. This was followed by a move to Sun City from 1973 to 1985, Chandler from 1986 to 1997 and then to American Family Fields of Phoenix in 1998. The team have developed a large fan base, attracting thousands of people to each game. When you are in the stands at one of the games, you can enjoy seeing your favorite players on the field and experience the rush that comes with every home run. The experience allows you to celebrate your love of the Brewers! In Major League Baseball, **Spring Training** is a series of practices and exhibition games preceding the start of the regular season. Spring training allows new players to try out for roster and position spots, and gives existing team players practice time prior to competitive play. Spring training has always attracted fan attention, drawing crowds who travel to the warmer climates to enjoy the weather and watch their favorite teams play, and spring training usually coincides with spring break for many US college students. Let's show our support for a race to the World Series. And enjoy some warm weather while it is snowy in Wisconsin!

After checking into your hotel, dinner along the water's edge officially welcomes you to the Pacific Coast. Hotel: Doubletree Hotel Seattle Airport

#### Day 2 B, L

Travel south this morning to **Mt. St. Helens National Volcanic Monument**. In 1980, the eruption of the volcano created international news as ash and rock rained down on nearby communities. Hear the stories and see how Mother Nature continues to repair the scorched surroundings as you travel **Spirit Lake Highway**. Continue south, crossing the border into California, and pass through **Redwoods National and State Historic Park**. Most people know the park as home to the tallest trees on Earth, but it also protects vast prairies, oak woodlands, wild rivers, and 40 miles of rugged coastline. Together, the National Park Service and California State Parks are managing and restoring these lands for the inspiration, enjoyment, and education of all. Your home tonight is in the bayside community of Eureka, the largest coastal city located between San Francisco and Portland, and named after California's state motto, Greek for "I have found it!" ### 11 Days: June 17 - 27, 2025

Gatsby owes part of its continued success to its enthralling setting: New York circa 1922. The Roaring Twenties was a time of prosperity, prohibition, flirtatious flappers and Art Deco architecture. Aussie director Ba Luhrmann's extravagant adaptation of Fitzgerald's novel has once again brought this era to light, so what better time to take a look at some of New York's timeless twenties attractions than the 100<sup>th</sup> Anniversary of the writing of the *Great Gatsby*? The story is set in the Jazz Age (1920's) on Long Island, New York, and revolves around the narrator's encounters with Jay Gatsby and his infatuation with Daisy Buchanan, a woman from his past. Baz Luhrmann reworked F. Scott Fitzgerald's masterpiece for the screen in 2013. The end of the tour is a private, special Gatsby themed party at the Packard Proving Grounds where everyone gets a ride in a vintage Packard car (weather permitting).

#### Day 1 B, D

Enjoy a light breakfast as we make our way Cleveland. Our first night will be at the Drury Inn and we will enjoy their Dinner Kickback, complete with 3 drinks!

#### Day 2 B, D

Today, we arrive in New York City! We will check-into the M Social Hotel in Times Square and enjoy dinner as a group before a cocktail at a Speakeasy!

#### Day 3 B

Please wear comfortable walking shoes today and carry only what you need. No shorts are permitting as we will be having Tea at the Plaza in the afternoon. We will **explore New York City with a local guide** today. New York is another staple in the novel as Myrtle and Tom's secret love nest is located there. Take a stroll in the city streets just as Nick would have done. In the book, Nick describes his daily evening commute from the Yale Club (beside Grand Central Station), down Madison Avenue, and west on 33<sup>rd</sup> Street to Old Penn Station. We will start off with a visit to **The Top of the Rock** for amazing views of Manhattan and the best view of the Empire State Building. We will also enjoy a **Radio City Music Hall backstage tour**. Learn about this historical famous music hall and **meet a Rockette!** This afternoon, we will visit **St. Patrick's Cathedral**, the Mother Church of the Archdiocese of New York and the seat of the Archbishop. With its 330-foot spires, it is one of the City's most spectacular architectural sights. We will walk by the **Diamond District** and hear stories of the area and all that occurred. This afternoon, we will visit **Grand Central Station**. There's no other city like New York when it comes to people-watching, and Nick Carraway was the novel's primary voyeur, ambling through the city streets. Make sure you take a peek in the Campbell Car, where decadent cocktails were had by the Gatsby Crowd. Next, visit the **Chrysler Building**, one of the most iconic landmarks gracing Manhattan's skyline. Step inside the marbled, mural-adorned lobby. Next, we are off to The Plaza Hotel and enjoy Tea just like Nick and Jordan did in the novel. This evening enjoy the **Broadway performance of the Great Gatsby Musical**.

**Day 4 B, D**

Today, we are headed to Long Island. On the drive to Long Island, make note that this area was known in Gatsby as the "Valley of Ashes": The bleak no-man's land that is a void between lush East/West Egg and glamorous Manhattan. Great Neck, Long Island, served as the fundamental inspiration for *The Great Gatsby*. We will travel over **Queensboro Bridge**. "The city seen from the Queensboro Bridge is always the city seen for the first time, in its first wild promise of all the mystery and the beauty in the world," notes narrated Nick Carraway. We will start our Long Island sightseeing at **Old Westbury Gardens** where this stately mansion has beautiful gardens, just wait until you see them! We will then visit **Coe Hall** and tour this 65-room Tudor Revival mansion and you can stroll amount the 409-acre grounds of the **Planting Fields Arboretum**. Then, we will tour **Sagamore Hill, home of Theodore Roosevelt** from 1885 until his death in 1919. We will check-into the Hyatt Place East End Hotel for a 3-Night stay. Dinner is included at a local favorite restaurant tonight.

**Day 5 B, D**

We will start this morning with a tour of **Oheka Castle**, colloquially known as The Great Gatsby Mansion, saw its fair share of flamboyant parties as a private residence to affluent banker, Otto Hermann Kahn. Then, we will continue on to the **Vanderbilt Mansion/Planetarium** which is an estate not to be missed. Take an intimate look at the life of a privileged family from the Jazz Age through WWII. We will then travel to the **North Fork wine region and enjoy a wine tasting** before dinner together tonight.

**Day 6 B, D**

Today we will explore **South Fork, better known as the Hamptons**. As you would in the times of the Gatsby novel, travel through Southampton Village, the oldest English Settlement in New York. We will make a quick stop at **Coopers Beach** to enjoy the beauty of this famous playground of wealthy residents. This afternoon we will visit the **Sag Harbor Whaling and Historical Museum** where history buffs can learn more about the destinations' fascinating whaling history. Then, we will take a **Sag Harbor boat cruise** to learn about the historic whaling village, see lighthouses, homes of famous Hamptons celebrities and more. Gatsby would be smiling now! Dinner is included this evening.

**Day 7 B, D**

Today, we will reminisce about our time in New York City and Long Island as we make our way to the Drury Hotel in Cleveland for an overnight.

**Day 8 B, D**

A Short drive today brings us to Detroit. Today is filled with exclusive activities. First you will enjoy an **EXCLUSIVE Behind-the-Scenes Tour of a Detroit Music Recording Studio** before another **EXCLUSIVE Behind-the-Scenes Tour of the Fisher Theatre**, which is located in the historic Fisher Building and you won't believe the amazing Art Deco architecture. We will overnight at the Radisson Southfield for 3-Nights. This evening, you will enjoy a tour and **dinner at the Masonic Temple, the largest Masonic Temple in the world!**

**Day 9 B, D**

After a delicious breakfast this morning, we will take a guided tour of the **Ford Piquette Plant** where Model T's were made! Then, we will head to **Stahl's Automotive** where you will see many vintage cars, signs, music machines and more! Today, see how the F-150 is built on a **Ford Rouge Factory Tour**. This is absolutely fascinating to watch. Then, you will have time to explore the **Henry Ford Museum of Innovation** which features historic autos, signs, Trains and more! Then, the afternoon, you will enjoy free at **Greenfield Village**. A transportation pass is included so you can ride the Model T's, Take the horse drawn carriage or the train! Tonight, is the main event! **A Great Gatsby Roaring 20's evening at the Packard Proving Grounds**. Dressing in Roaring 20's attire is encouraged. Dinner, souvenir drink, 1920's entertainment, take a tour of the Proving Grounds and a ride in a vintage Packard car (weather permitting).

**Day 11 B**

One last stop before we depart Detroit is at **Fair Lane** to tour the grounds and gardens. Fair Lane was the beautiful home of Clara and Henry Ford. The house is going through extensive renovations, but the expansive meadows and gardens make up the larger landscape, and is home to the largest axial meadow, the "Pathy of the Setting Sun," is aligned so that, on the summer solstice, the setting sun glows through a precise parting of the trees at the meadow's western end. Return to Wisconsin with wonderful memories of your Gatsby Vacation!

#### Day 4 B, L

This morning, we will tour the **Berkley Plantation**, site of the first Thanksgiving in 1619. Berkley is also the birthplace of Benjamin Harrison, a signer of the Declaration of Independence, as well as 9<sup>th</sup> President William Henry Harrison. This is a special time since we will be there for the **holiday exhibit “Centuries of Christmas”** in the elegant 1726 mansion. It is beautifully decorated with fresh greenery from Berkeley’s gardens. Costumed guides will add a special touch with stories of Christmas at Berkeley through four centuries. This afternoon we will find ourselves in **Colonial Williamsburg** and proceed on a **walking tour to learn about Christmas decorations before electric lights**. You will have some time for shopping before the **Grand Illumination Festivities in Williamsburg** this evening. This is an adaptation of a common practice during the 18<sup>th</sup> century, when ordinary citizens celebrated extraordinary events by firing guns and using fireworks. Fifes and Drums provide 18<sup>th</sup> century holiday music, balladeers and musicians perform, church choirs sing Christmas carols and costumed performers present entertainment found in Williamsburg 200 years ago. We will overnight for 2 nights at the Holiday Inn Express Williamsburg.

#### Day 5 B, D

We will start the day by stopping at the **Victory Monument at the Yorktown Battlefield** and then make our way to the **American Revolution Museum at Yorktown**. It is among America’s foremost sites that tell the story of the nation’s founding during a time that the famous homes we have visited were occupied by future Presidents. Through immersive indoor exhibits and outdoor living history, this museum offers a truly national perspective, conveying a sense of the complexity of this country’s Revolutionary heritage. . Next, we will tour the **Sherwood Forest Plantation**, home of the 10<sup>th</sup> U.S. President, John Tyler, who succeeded William Henry Harrison on his death. It has been the continuous residence of the Tyler family since the President purchased it in 1843. Plantation greenery is fashioned into beautiful wreaths and gardens as part of the holiday decorations. Tonight, enjoy a **seafood buffet dinner at Captain George’s Seafood Restaurant**. Don’t like seafood, don’t worry, they have plenty of landlubber entrees too!

#### Day 6 B, D

Today we start our sightseeing at **George Washington’s Mount Vernon**, home of our 1<sup>st</sup> President. It offers a glimpse into 18-century plantation life through beautiful gardens and grounds and intriguing museum exhibits. Learn the history of the mansion through a guided tour as well as the Ford Orientation Center, the Donald W. Reynolds Museum and Education Center and the Distillery and Gristmill. You’ll see a wonderful **collection of Christmas Trees at the Visitors Center and then on the 1<sup>st</sup> floor of the Mansion**. We will start heading back and overnight at the Hampton Inn in Somerset, PA and enjoy an included dinner.

#### Day 7 B, D

**McKinley Presidential Library & Museum** where you will enjoy a boxed lunch and a special presentation before a guided tour of the McKinley Presidential Library & Museum which contains the largest collection of McKinley artifacts in the world and chronicles the life and career of the 25<sup>th</sup> President, from his birth to his death. You will have some time after to explore on your own or visit the gift shop. This afternoon, we will tour the **Stan Hywet Hall & Gardens Deck the Halls Christmas Celebration!** You will not believe how beautiful this is. The Stan Hywet Hall is aglow with over 1.2 million holiday lights and the Manor House is decorated in beautiful holiday fashion with many different themes in different rooms. Late afternoon we will arrive at the Comfort Inn & Suites in Fremont, Ohio. Our farewell dinner is at a local restaurant.

#### Day 8 B

Before returning to Wisconsin, we will make one more Presidential stop at the **Rutherford B. Hayes Presidential Library & Museum**. This was the very first Presidential Library in America and honors the memory of Rutherford B. Hayes, our 19<sup>th</sup> President. For 100 years the collections have grown beyond the core collection to include 90,000 books, manuscripts and images which reflect Hayes’s special interests, including genealogy, local history, and the Gilded Age period in which he lived.
